NON-TEACHING INDUSTRIAL INTERNSHIP
– IDEAS, APPLYING, AND EXPERIENCING

Tuesday, October 18, 4:00 pm - 5:00 pm
Pearce Hall, Room 227

Dr. Carl Lee will give an informative presentation about the idea of the non-teaching industrial internship, and the procedure about how one will apply the internship of this track.

Kelly Twigg did an internship this past summer and will share with the audience her experience.

A Q&A section will follow Dr. Lee and Kelly's presentations.
